You Are Everything

Tye Tribbett

I just wanna tell you what I think about You [2x]

You are the first, the last, beginning and the end In You I live and move and have my being You hold my life, my world, my future all in Your hands And You knew my name before time began

There's absolutely nothing You can't do Absolutely nothing compares to You

[Choir:] I just want to be more like You I surrender all, make me more like You You make all things new, Your love pure and true Nothing else will do, I'm in love with You

[Lead:] You are everything, everything is You You are everything (You are everything), everything is You (eve rything is You)

Everybody shout now!

You are the first, the last, beginning and the end
