

You Didn't Have To

Tye Tribbett

Lord, You didn't have to wake me soon this morning,
but You did Lord.
I know You didn't have to wake me soon this morning,
but You did Lord.
I know You didn't have to wake me early this morning,
but You did Lord.
You didn't have to wake me soon this morning,
but You did Lord.
But that ain't all You've done for me;
You woke me early this morning,
Lord, You were right on time.
I had my health and strength
and He clothed me in my right mind.
You didn't have to wake me this morning.

You didn't have to wake me soon this morning,
You didn't have to wake me this morning.
