

Sign Your Name

Tyler James

Fortunately you have that someone who relies on you
We started out as friends but the thought of you just caved me
in
The symptoms are too deep it is much too late to turn away
We started out as friends

Sign your name across my heart
I want you to be my baby
Sign your name across my heart
I want you to be my lady

Time I'm sure will rain
Disappointments in so many things
It seems to be the way
When you're gambling cards, on love you play
I rather be in hell with you baby
Then in cool heaven
It seems to be the way

Sign your name across my heart
I want you to be my baby
Sign your name across my heart
I want you to be my lady

But never look into the sun before the day is done
All of our charts write it on a peaceful day
Stranger blues leave us alone we don't want to deal with it
Oh we spend our day showering in the room that makes the rain

Sign your name across my heart
I want you to be my baby
Sign your name across my heart
I want you to be my lady

Sign your name across my heart
I want you to be my baby
Sign your name across my heart
I want you to be my lady
