

# Prove Me Wrong

Tyler Joseph

I don't know  
Where I am supposed to go  
So I might just  
Take my pride and go  
Some people, they know, know everything  
But I know that they don't know my heart

Cause I, oh yeah, I believe in love  
And I hope I can show you what I mean  
And I don't believe love's for me, oh  
So won't you come around and prove me wrong

Won't walk the world  
Any different  
And my path won't change until you  
Make a wall and make me fall  
And break me down

I don't know, no, I don't know  
If I wrote this song in vain  
Vain, in vain, vain

Oh, yeah  
And I - oh, yeah I  
Believe in love  
And I hope I can show you what I mean  
And I don't believe love's for me  
So won't you come around and prove me wrong

Prove me wrong, yeah

You don't know me  
And I don't know you  
Tell me, what should I  
Do?  
Oh...

So won't you come around and prove me wrong
