

# Basement

Tyler Ward

Four in the mornin', and I know I should be snorin'  
But I'm thinkin' bout my party in the (basement)  
I've got stains on my rugby, so I guess I'll do the laundry  
Lookin' fresh for my party in the (basement)  
We'll be listening to Missy, spinnin' bottles till we're dizzy  
Try to get myself a hickey in the (basement)  
It's still four in the mornin', and I know I should be snorin'  
But I'm thinkin' bout my party in the (basement)

Everybody  
Bring the party  
I said, everybody  
Bring the party  
To the basement

Dance, dance, dance

Makin' up a list like my name was Saint Nick  
So I won't invite Chris to my (basement)  
But we can call your sister Katie, 'cause I think she tried to  
date me  
Pretty sure she'll get crazy in my (basement)

[Black Prez:]  
Yuh, ay  
But now I step up in the party, right? (yuh)  
I could tell that she the party type (yuh)  
Then she show me what she party like  
Fillin' up my cup wait, this Bacardi, right?  
Bro...

Everybody  
Bring the party  
I said, everybody  
Bring the party  
To the basement

Dance, dance, dance

Everybody  
Bring the party  
I said, everybody  
Bring the party  
To the basement
