

Black Beatles

Tyler Ward

That girl is a real crowd pleaser
Small world, all her friends know of me
Young bull living like an old geezer
Quick release the cash, watch it fall slowly
Frat girls still tryna get even
Haters mad for whatever reason
Smoke in the air, binge drinking
They lose it when the DJ drops the needle

Getting so gone I'm not blinking
What in the world was I thinking?
New day, new money to be made
There is nothing to explain

Black Beatle, cream seats in the Regal
Rockin John Lennon lenses like to see 'em
Took a lady to the club and let her party on the table
Screaming "everybody's famous"
Like clockwork, I blow it all
And get some more
Get you somebody that can do both
Black Beatles got the babes belly rolling
She think she love me
I think she trolling

That girl is a real crowd pleaser
Small world, all her friends know of me
Young bull living like an old geezer
Quick release the cash, watch it fall slowly
Frat girls still tryna get even
Haters mad for whatever reason
Smoke in the air, binge drinking
They lose it when the DJ drops the needle

Black beetle, black beetle
Black beetle, black beetle
Black beetle, black beetle
Black beetle, black beetle
Black beetle, black beetle
