I was wonderin' 'bout your mama
Did she get that job she wanted?
Sell that car that gave her problems?
I'm just curious 'bout her, honest

I know you're wonderin' why I been callin'
Like I got ulterior motives
Know we didn't end this so good
Well you know we had something so good

I'm wonderin'
Can we still be friends?
Can we still be friends?
Doesn't have to end
And if it ends, can we be friends?
Can we be friends?
Can we be friends?

Wonderin' if you got a body
To hold you tighter since I left
Wonderin' if you think about me
Actually, don't answer that

I know you're wonderin' why I been callin'

Like I got ulterior motives
Know we didn't end this so good
But you know we had something so good

I'm wonderin'
Can we still be friends?
Can we still be friends?
Doesn't have to end
And if it ends, can we be friends?
Can we be friends?
Can we be friends?
Can we be friends?

I know you're wonderin' why I been callin'
Like I got ulterior motives
Know we didn't end this so good
What you and I had girl, it was so good

I'm wonderin'
Can we still be friends?
Can we still be friends?
Doesn't have to end
And if it ends, can we be friends?
Can we be friends?
