Gravity is working against me And gravity wants to bring me down

Oh I'll never know what makes this man With all the love that his heart can stand Dream of ways to throw it all away

Oh Gravity is working against me And gravity wants to bring me down

Oh twice as much aint twice as good And can't sustain like one half could It's wanting more That's gonna send me to my knees (repeat)

Oh gravity, stay the hell away from me And gravity has taken better men than me (Now how can that be?)

Just keep me where the light is
Just keep me where the light is
Just keep me where the light is
Come on, keep me where the light is
Come on, keep me where the light is
Away from all the dark
Keep me where the light is
Keep me where, keep me where the light is
