

I Want You Back

Tyler Ward

When I had you to myself I didn't want you around
And those pretty faces always made you stand out in a crowd
But someone picked you from the bunch, a glance is all it took
Now it's much too late for me to take a second look

Oh baby, give me one more chance
To show you that I love you
Won't you please let me back in your heart?
And oh darling I was blind
Let you go, let you go baby
Girl, since I've seen you in his eyes
I want you back

Yes I do now, I want you back
Oh oh baby, I want you back
And tryin to live without your love is one long sleepless night
And let me show you girl
That I know wrong from right
Every street you walk on I leave tear stains on the ground
Following the girl I didn't even want around

Let me tell you now

Oh baby, give me one more chance
To show you that I love you
Won't you please let me back in your heart?
And oh darling I was blind
Let you go, let you go baby
Girl, since I've seen you in his eyes
I want you back

Forget what happened yea, I want you back
Let me live again, I want you back

Pretty faces always made you stand out in a crowd
You're all I need, yea

Oh baby, give me one more chance
To show you that I love you
Won't you please let me back in your heart?
And oh darling I was blind
Let you go, let you go baby
Girl, since I've seen you in his eyes
I want you back

Forget what happened yea, I want you back
Let me live again, I want you back
