

# Stay

Tyler Ward

I know you gotta leave, but I don't want you to go (yeah)  
I'm kinda nervous, but I gotta let, let you know

That you were a red light, red light, red light  
You came into my life at the wrong time  
But now I can't imagine my life without you, so

Oooh oooh ooh ooh oooh  
(Stay)  
Oooh oooh ooh ooh oooh  
(I just want, I just want you to)  
Oooh oooh ooh ooh oooh  
Oooh oooh ooh ooh oooh  
(Stay)

I told you everything people wouldn't want to hear  
(My regrets, my flaws, and my fears)  
You know my past but you still wanna stay near  
My dear

Yeah you were a red light, red light, red light  
You came into my life at the wrong time  
But now I can't imagine my life without you  
(So I need you to)

Oooh oooh ooh ooh oooh  
(Stay)  
Oooh oooh ooh ooh oooh  
(My regrets, my flaws, and my fears)  
Oooh oooh ooh ooh oooh  
(Yeah, I need you to)  
Oooh oooh ooh ooh oooh  
(Stay)

You know, this doesn't make much sense to me  
(So I need you to)  
I was fine with being so lonely  
(Yeah, I need you to)  
No, this doesn't make much sense to me  
(So I need you to)  
I was fine with being so lonely

Yeah, you were a red light, red light, red light  
And at the right time it was possible to see  
That you were always green, so

Oooh oooh ooh ooh oooh  
(Stay)  
Oooh oooh ooh ooh oooh  
(You came at the wrong time)  
(You came at the wrong time, but I need you to stay)  
Oooh oooh ooh ooh oooh  
(Yeah, my regrets, my flaws, and my fears)  
Oooh oooh ooh ooh oooh  
(Stay)
