girl like me can be so dramatic
world premiere something like a classic
if u love me baby
then i like shining
the pink && the yellow ones
i like diamonds
this is how i know it ain't temporary
i'm the type of girl u'd plan to marry
i know u want to
but what's holding u
crying at my door saying u're so confused

my heart, my love, my time,
more precious than u'll ever find
someone so true, so nice
can stay this way for life

babii i could be ur rockstar
&& we'll shine bright like the sun
ur rockstar
&& i'll be ur only one
did i mention we could go far?
show me it's 4real
u put that rock on me
&& that's gon close the deal
i should be ur rockstar, rockstar
ur rockstar, rockstar baby
rockstar, rockstar
i should be ur rockstar, rockstar

a girl like me can be hard to touch
but if u put me on baby i'm good love
i'll be ur angel, ur protection
i'll give u all of my affection
i can't stay if u try to strain me
give me all ur love boy don't be stingy
i like glittering && i like shining
only the forever girls get their diamonds

my heart, my love, my time,
more precious than u'll ever find
someone so true, so nice
can stay this way for life

babii i could be ur rockstar
&& we'll shine bright like the sun
ur rockstar
&& i'll be ur only one
did i mention we could go far?
show me it's 4real
u put that rock on me
&& that's gon close the deal
i should be ur rockstar, rockstar
ur rockstar, rockstar baby
rockstar, rockstar
i should be ur rockstar, rockstar

u kno, this been going on for a while now
&& i think its time we take it a little further
i need u to put that rock on me
ladies tell him to put that rock on me
ill b that girl
giv u tha world
but u gotta put that rock on me

babii i cud be ur rockstar
&& we'll shine bright like the sun
ur rockstar
&& ill b ur only one
did i mention we cud go far?
show me its 4real
u put that rock on me
&& thats gon close the deal
i shud b ur rockstar, rockstar
ur rockstar, rockstar baby
rockstar, rockstar
i shud b ur rockstar, rockstar

(repeating rockstar, rockstar
i shud b ur rockstar, rockstar baby)
