

Black Sabbath (From The Satanic Perspective)

Type O Negative

Who is she that kneels so respectfully before me
A virgin of snow white purity
Do not fear my fortunate one
Let us consummate our igneous union
Ave Ave Satanas
Ave Ave Satanas
I am the shadow with the eyes, eyes of fire
I will fulfill your every hellish desire
Come sit on this throne here beside me and be mine
And we'll watch the flames get higher and higher...
This is just the start dear friends
For I have come to claim revenge
My victims turning, running scared
You people better go and beware
Your weak god can not help you now
Come, we will play in the fire
Worship the sun
Worship no one
