

These Three Things

Type O Negative

The child is torn From the womb unbaptised
There's no question It's infanticide
I'm guilty so therefore condemned
Destroying angels must come to an end Now in Limbo
Deprived of paradise That's not so nice

At the end I'll escort you to Hell The dark one's forces
Lock your flaming cell To murder the ones unborn
The worst sin you've ever performed
There are two other things I will tell Know them well

With due respect Hear these words of caution
If considering an abortion If you dig boiling sulphur
To which I will not concur
Leading to a path of misfortune No one won

Of a land that shuns the son So alien call it Area 5-1
Should there be failure to convert Zion
What came as a lamb Returning as a lion

Not a nation but a self proclaim-ed state
Since the year of our lord 1-9-4-8
The road to redemption leads through deserts
Rocky though the trip though is well worth it

I am the duel of the fisherman Simon
He brought Alpha, Omega, yes I'm the one
The twins fell beginning Armageddon
So the whore too who dwelleth in Babylon
All His people gathered round Through forgiveness salvation found
