

Better Off Without You

Tyrone Wells

I almost don't remember
The way it used to be
Where you used to whisper
You belong to me
You belong to me

I'm better off without you
Except for when I sleep
I'm better off without you
Besides the time I breathe
I keep telling myself
Maybe one day I'll believe
That I'm better off without you
And I never think about you
Better off without you

Saw you on the sidewalk
And I thought I caught your eye
And I wondered if you loved him
As I watched you both walk by
As I watched you just walk by

I'm better off without you
Except for when I sleep
I'm better off without you
Besides the time I breathe
I keep telling myself
Maybe one day I'll believe
That I'm better off without you
And I never think about you
Better off without you

Looking at a photograph of you, you're laughing
I'm standing by your side
I remember you were wearing my favorite perfume
How could you forget about the time you told me I was your only joy
Now when you want to smile, what do you do?
What do you do?

I'm better off without you
Except for when I sleep
I'm better off without you
Besides the time I breathe
I keep telling myself
Maybe one day I'll believe
I keep telling myself
Maybe one day I'll believe
I keep telling myself
Maybe one day I'll believe
I keep telling myself
Maybe one day I'll believe
That I'm better off without you
And I never think about you
Better off without you
