

Simple Life

Tyrone Wells

Everybody wants to tell me
Where I should be going
Everybody wants to point the way

All these different voices
Calling out my name
Feels like more than I can take
When all I want to do is

Do justly
Love mercy
Walk humbly
Live a simple life

Looking out an open window
Anything is possible
Lift my face up to the sun
Even if I lose my way
I won't be far from grace
I will find my way back home
I will remember to

Do justly
Love mercy
Walk humbly
Live a simple life

When it's complicated
We just need to simplify
Need to simplify

Do justly
Love mercy
Walk humbly
Live a simple life
