

Cold Day in Hell

Tysondog

The great and the good would like you to bow and scrape
To dance to a tune so I can never escape

It'll be a cold day in hell
When I bow the knee

Cold day in hell
Cold day in hell

2020 you'd think it would never last
But they like you to change your future back to the past

It'll be a cold day in hell
When I bow the knee

Cold day in hell
Cold day in hell

Our future depends on
Men talking not walking

It'll be a cold day in hell
When I bow the knee

Cold day in hell
Cold day in hell
Cold day in hell
Cold day in hell
