

# Hotter Than Hell

Tysondog

Temperatures rising too quickly  
No water  
Suns bleached hard  
Dust and sand  
Pours thru my hand

Over the mountains and oceans  
You'll hear me  
It's hotter than hell

Children cry at my feet  
Livestock's bones lie deep and bleached  
It's hotter, hotter, hotter than hell

Hot/Hotter than hell  
Hot/Hotter than hell  
Hot/Hotter than hell
