

The Needle

Tysondog

I'll say again this ain't no game
We're playing now
The time for fun has been and gone
This is for real
How many time did you visualise
What you wanted to feel
Signed delivered right to your door

See the fire in my eyes
Can't toe the line
An addictive nature
Unstable mind

The smile behind my eyes is my disguise
If I feel threatened or open to attack
I'm always on the edge I make my pledge
Revenge is better cold
Swift and ruthless it's your end

See the fire in my eyes
Can't toe the line
An addictive nature
Unstable mind

Down deep down deep and dirty
Get crazy fight to the end
Down deep down deep and dirty
No quarter pity the dead

I've told you once I won't tell you again
Don't mix me up with some other men
I'll laugh in your face as I cut you down
I'll use whatever I need on your fear I will feed
You'll wish your death when I am done

See the fire in my eyes
Can't toe the line
An addictive nature
Unstable mind

Down deep down deep and dirty
Get crazy right to the end
Down deep down deep and dirty
No quarter pity the dead

Crazy - Crazy in my eyes
