

Your Wish Is My Command

U-Roy

Sing that your wish is my command
And as a DJ, I'm here to play what you demand
Go on man, sing something, baby

Won't you play, won't you play what the young girls love to hear?
Won't you play, won't you play what the young girls love to hear?
They love to hear the rub a dub stuff playin' on the radio
They love to hear the rub a dub stuff playin' on the radio

So me say anything you want I will give you
Wan rub a dub, me will give you
You wan soul, come, me will give you
Wan the rock 'n' roll, me will give it to you, baby, one time
baby, two time, y'all

They love to hear the rub a dub stuff playin' on the radio
So listen DJ, listen DJ, I want you to play me that song?
So come on, won't you play me that song?
Will you play, your music so sweet

So if you wan funky, me will give you
Wan the Lambada, you can dig it
If you wan some jazz, me will give you

The old folks love to hear
They love to hear the rub a dub style playin' on the hear
They love to hear the rub a dub style playin' on the hear

In Brazil, it's the Salsa
Ina Trinidad, it's the Zonka
Ina America, it's the hip hop
In Jamaica, it's the Reggae

So come, Reggae for me
Make me Reggae for you too
So me put down this a music
It's real Reggae music

When me make me record, it's the music
The real Reggae music
You wan some Jazz, you can take it
And if you wan Soca, me will give you
You wan some Reggae, you can take it

Play me that song, come on
Won't you play me that song? Come on
Won't you play me that song? Come on
Won't you play me that song? Come on
Won't you play me that song? Come on
