Walk on

G E

Stay safe tonight

You're packing a suitcase for a place, none of us has been

A place that has to be believed, to be seen

You could have flown away

A singing bird, in an open cage

Who will only fly, only fly, for freedom

R: Walk on

Walk on

What you got

You can't deny it

Can't sell it or buy it

Walk on

Walk on

You stay safe tonight

And I know it aches

How your heart it breaks

You can only take so much

Home... Hard to know what it is

If you never had one

Home... I can't say where it is, but I know I'm going

Home... That's where the heart is
And you know it aches
And your heart it breaks
You can only take so much
Walk on
Leave it behind. You've got to leave it behind
All that you fashion,
all that you make,
all that you build,
all that you break,
all that you measure,
all that you feel,
all this you can leave behind
All that you reason,
all that you care...
