

I Would Do For You

UB40

I didn't mean to be so late
It's just that I got talking
I had a drink with a couple of mates
Missed my bus and wound up walking
I tried to call and let you know
It was busy and I couldn't get through
Didn't want to let you down
I know how much it hurts you

I would do for you
All you have me do
All you have to do
Is ask me to
All you have to do
Is tell me when
And I'll come rolling back again

Don't know what came over me
Must have slipped my mind
I'll try and make it up to you
Let's leave the past behind
I promise that I'll do my best
To mend my wicked ways
Don't believe the things you hear
Or listen to what they say

I would do for you
All you have me do
All you have to do
Is ask me to
All you have to do
Is tell me when
And I'll come rolling back again

If there's something wrong then let me know
Don't bottle things inside
Your pretty eyes could melt my heart
Just let my secret hide
Just try and give me one more chance
Set the record straight
Meet me here tomorrow night
I promise I won't be late

I would do for you
All you have me do
All you have to do
Is ask me to
All you have to do
Is tell me when
And I'll come rolling back again

I would do for you
All you have me do
All you have to do
Is ask me to
All you have to do
Is tell me when

And I'll come rolling back again

I would do for you
All you have me do
All you have to do
Is ask me to
All you have to do
Is tell me when
And I'll come rolling back again

I would do for you
All you have me do
All you have to do
Is ask me to
All you have to do
Is tell me when
And I'll come rolling back again

I would do for you
All you have me do
All you have to do
Is ask me to
All you have to do
Is tell me when
And I'll come rolling back again

And I'll come rolling back again
And I'll come rolling back again
And I'll come rolling back again
And I'll come rolling back again
