The Way You Do the Things You Do

You got a smile so bright You know you could have been a candle I'm holding you so tight You know you could have been a handle The way you swept me off my feet You know you could've been a broom And babe you smell so sweet You know you could've been some perfume

Well you could of been anything that you wanted to I can tell The way you do the things you do

As pretty as you are You know you could've been a flower If good looks were minutes You know you could have been an hour The way you stole my heart You know you could have been a crook And baby your so smart You know you could have been a school book

Well you could of been anything that you wanted to I can tell The way you do the things you do

Well you could of been

You make my life so rich You know you could've been some money And baby you're so sweet You know you could have been some honey

Well you could of been anything that you wanted to I can tell The way you do the things you do

Well you could of been

As pretty as you are You know you could've been a flower If good looks were minutes You know you could have been an hour The way you stole my heart You know you could have been a crook And baby your so smart You know you could have been a school book

Well you could of been anything that you wanted to I can tell The way you do the things you do

Well you could of been
