Things You Say You Love

Lose, you're gonna lose Things you say you love You're gonna lose Can't last too long The way you are shaping Can't last too long The way you're vibrating Lose, your gonna lose Things you say you love You're gonna lose Can't last too long The way you are flirting Can't last too long The things you are doing - that's why I say Lose, you're gonna lose Things you say you love You're gonna lose Can't last too long The way you are flirting Can't last too long The things you are doing Lose, you're gonna lose Things you say you love You're gonna lose Can't last too long The way you are shaping Can't last too long The way you're vibrating That's why I say Lose, you're gonna lose Things you say you love You're gonna lose
