

Use me as much as you can
'cause you've never been
more than a friend
'cause I try to push you away
And make myself clean
And forget you hurt me

CLEAN

I don't want to be
I don't need to be
I don't want to be

CLEAN

I don't want to be
I don't need to be
I don't want to be

Pressure, the less that I feel
The more that I heal
And put back the pieces
'cause you keep taking my soul
Keep from letting it go
And setting me free
You keep bringing me down
Keep my head above ground
The ground that I lay
'Cause I try myself everyday
And say it's ok
For bringing me pain...

CLEAN

I don't want to be
I don't need to be
I don't want to be

CLEAN

I don't want to be
I don't need to be
I don't want to be

And when I step outside this place
All I see is empty
And when I look into your face
All I see is emptiness

CLEAN

I don't want to be
I don't need to be
I don't want to be

CLEAN

I don't want to be
I don't need to be
I don't want to be
