

Blinded by a Lie

UFO

I got the information from a friend last night
And it looks so very different in black and white
I was "part of the second party", that was me
Signed away my life, really couldn't see
(1) Blinded by, blinded by a lie
Blinded by, blinded by a lie
I know it's just the price you pay
I know you're nothing
(1) Repeat
Now you listen closely, don't you go away
There's a cut of something, in what I have to say
You keep the full deck from me, "Mr. Percent"
Through the legal jungle, who's the one that's bent?
(1) Repeat
I know it's just the price you pay
I know you've nothin' to say
And oh boy every dog has it's day
I know you'll be the one to pay
[INSTRUMENTAL]
And now I see that I was
