

## Another Samba

## Ugly Duckling

(1, 2, 3)

This is just a little samba

Yo man, I'm livin check to check  
Nibblin on a candybar  
Out on tour, economy size rental car  
Ask for cash but they give me the business  
And say the promoter can't pay  
So if this is just a little samba  
Then I'm broke with a microwave burrito and a Coke  
I spent my last dollar to pay my landlord  
She hates my music and took my extension cord  
So I clap on, clap off, Andy turn that rap off  
Gotta dress for less and buy my clothes half off  
I look ridiculous  
Little thugs staring at me when I step in the bus  
Wantin fisticuffs, I'm always feeling strained  
Cause my budget's tight like it was wrapped in cellophane  
And sure, I would rather be in the Bahamas  
But again, it's just a little samba

This is just a little samba

This is just a little samba

I make minimum wage (yeah you do)  
I wear the same sneakers (yeah you do)  
And man I need a haircut (yeah you do)  
(Yep) yeah you do (that's right) yeah you do

You might spot me in a swap meet suit  
When I'm at award shows bouncers gimme the boot  
I own no home, I live in the garage  
Ain't even got a car so I borrow my moms  
Hold up, I got an email, it's a female  
She wants to know about Del, every detail  
It makes me sick but I can't afford a flu shot  
Chicks come fat and got the nerve to wear a tube top  
I got this one, she's a primate  
When I met her she was just the type of girl that make your eyes ache  
I made my pager vibrate, said I gotta use the phone  
(Where you going) late  
I have a model plane and a puzzle of a yacht  
You can bet that I sweat when the weather gets hot  
I travel a lot, to the store for my mama  
It's just a little samba

I owe lots of money (yeah you do)  
I need to find a job (yeah you do)  
I gotta call a dentist (yeah you do)  
Yeah you do, yeah you do  
Well I star in home movies (yeah you do)  
I need a new label (yeah you do)  
I only date mongrels (yeah you do)  
Yeah you do, yeah you do

Man, I stay on my mom's property (yeah you do)  
I got an old skateboard (yeah, yeah you do)

I got a dog named Quentin  
Does your mom let you have the dog in the house  
Yeah sure, why not (that's cool)
