

## Pick Up Lines

### Ugly Duckling

What's the place where you see more girls  
that you'd like to pick up, than any other place?

Honey was offended by the pick up line

If I said you had a beautiful body would you hold it against me?  
Can I buy you a drink? Your glass is empty  
What's a nice girl like you doing in a place like this?  
Anyway, you come here often? Is this seat taken miss?  
America? No? Well you should be a model I'm  
New in town so could you show me around?  
Can I call you sometime?  
I'd like to get to knowin'  
Your place or mine? I love your eyes, hey where you goin'?

Now, honey didn't do what everyone else does  
She stood out without making a scene because she was  
The hottest but the most modest in a long plaid skirt  
And a shirt with a little picture of Ernie & Bert  
Now, she played no sports except scholastic sorts  
An academic epidemic during book reports  
The starlet of a play, not a harlot to lay  
So all the school ?? mad that she wouldn't give it away  
See

Cut my bangs so they don't hang, then shampoo the doo  
Get the hair out of my eye so I can look into  
Of you master and capture the flag  
In a '65 rag with brand new tags  
She's for real, I feel chills, they're multiplyin'  
It's so electrifyin it's so electrifyin'  
No denyin' that I'm tryin' to undress her  
With that phony rap, you wouldn't even get near it  
She wouldn't go for sugar-coated lyrics  
So other girls would say, "She must be gay"  
And call her a Lenny Dykstra  
But so what? They really wanted to just like her  
Jealous, I won't offend her, I'll treat her tender  
Defend her and send her letters and such  
But there's no rush and there's no  
Baby you're so fine I want to make you mine  
'Cause honey simply ignored the pick-up line

Well excuse me  
Well excuse me  
Well excuse me  
Well excuse me

Y'all step up to this

Now the main dude who wooed women tried to make his move  
On her, so we all watched to see what she would do  
He moved in: "Hey baby doll.. what's up with us?"  
And honey was like, "Excuse me, but I'm gonna be late for my bus"  
So I stepped up to her and said here's what I'm about  
Long walks, deep thoughts, I I'd take you out, I won't  
Play games or try to take the truth and bend it  
I just want to talk, and she wasn't offended
