

Big Dick

Ulrik Munther

You lookin' so fly
Cocky and proud
Acting all wise
You know you better not lie
Your mummy was right
Should take her advice

You know who you are
If you don't have your car
When your games have been lost
And nobody calls

It's a big dick you throw
Yeah I've been to your show
But tell me where does it go
When you're sad and alone?
When you're sad and alone

Oh, I wish we could talk
I wish that you know in your heart
That I don't mean you any harm
But no, there are too many walls
And I don't have the tools or a number you can call

So this will be all
I'll let you go
Whoever you are
You're on your own
