

Dolphins

Ulrik Munther

I wanna travel the world
And I wanna marry a girl
There's so many places I haven't found
And I wanna go there tonight

Cause what if there's no tomorrow
What if the time we borrow
Was about to run out?
Where would you be, what would you do right now?

Yeah what if there's no tomorrow
What if the road we follow
Was about to run out?
Where would you be, what would you do right now?

We, we could swim in the ocean
And we, we could hang with the dolphins
Down under the water, just you and I
Oh we, we could go there tonight

Cause what if there's no tomorrow
What if the time we borrow
Was about to run out?
Where would you be, what would you do right now?

Yeah what if there's no tomorrow
What if the road we follow
Was about to run out?
Where would you be, what would you do right now?

Before it's to late
(Before it's to late)
I don't wanna wait no more
(I don't wanna wait)
So what do you say?
(So what do you say?)
Oh, hey hey hey

What if there's no tomorrow
What if the time we borrow
Was about to run out?
Where would you be, what would you do right now?

Yeah what if there's no tomorrow
What if the time we borrow
Was about to run out?
Where would you be, what would you do right now?

What if there's no tomorrow
What if the road we follow
Was about to run out?
Where would you be, what would you do right now?
Right now...
