

# Desire

Ultra Naté

(desire, desire, desire)  
(desire, desire, desire)

There is a thin line between fantasy and reality  
Which I won't believe how many times, havin' let it go  
Feelings within me so, to reelin' out of control

There is somewhere  
In a little book  
There's a song there  
If I only looked  
A little deeper  
But not with my eyes  
Get the courage to let it in mind

My desire, love beyond all hope and reason  
(beyond all hope and)  
My desire is just for more than just a season  
(desire, desire, desire, desire, desire, desire, desire, desire)  
(desire, desire, desire, desire, desire, desire, desire, desire)

Don't 'cha hear it, callin' to you  
When you're all alone, and I can't wait for you  
To be comforted, everything is alright  
Don't need anyone to hold you tight at night

There is somewhere  
In a little book  
You don't fear for  
Thinkin' you're off the hook  
You better be careful  
'Cause you realize  
There's something in my heart  
That I just can't deny

My desire (my desire) is just beyond all hope and reason  
(beyond all reason)  
My desire is just for more than just a season

Sometimes I want to cry (please don't, please don't)  
Hey, yeah (oh no, just don't)  
Can't hold back what I'm feelin' inside  
(don't even think about it)  
(you've got to feel about it)  
(you've got to feel about it)  
(you've got to feel about it)  
( 'bout it 'bout it 'bout it 'bout it)  
( 'bout it 'bout it 'bout it 'bout it)

I feel desire, I feel desire  
I feel desire, I feel desire

My desire is just beyond all hope and reason  
(beyond all hope and)  
My desire is just for more than just a season

My desire (my desire) is just beyond all hope and reason

(beyond all hope and)  
My desire is just for more than just a season  
(desire, desire, desire)
