Ultra Naté

This is not a story  
This is not a journey

This is not a story  
This is not a journey  
This is not something that you feel

'Cause it's loosely based on life  
Loosely based on love  
Loosely based on you and me

This is not a story  
This is not a journey  
This is not something that you feel  
Or believe
