

# Scandal

Ultra Naté

You call me it's two in the morning  
You say your life is empty, dull and boring  
You want to come over and be real gentle  
But this is more than i can handle

I don't want to be a part of a scandal  
Your love's a scandal  
Don't want to be a part of a scandal

All day, all night you're on my mind  
Don't know what I put myself in my mind  
I've got to find the antidote for you  
Or everything I worked for will be through

I don't want to be a part of a scandal  
Your love's a scandal  
Don't want to be a part of a scandal

Mysteriously you've taken me  
Mentally now you want me physically  
Need my love only for this moment  
Tonight I may condone it

I don't want to be a part of a scandal  
Your love's a scandal  
Don't want to be a part of a scandal
