Ultrabeat

Starry eyed girl you rocked my world  
Starry eyed girl you rocked my world  
Tonight can't have no other  
Starry eyed girl you rocked my world  
I don't wanna see you with any others  
Starry eyed girl you rocked my world  
Tonight can't have no other

Starry eyed girl you rocked my world  
I don't wanna see you with any others  
Starry eyed girl you rocked my world  
Tonight can't have no other

Girl, when I look into your eyes  
I can see them gazing back at mine so nice, so nice  
And when I hold you close to me  
I get this fever running down my spine so nice, so nice

Starry eyed girl you rocked my world  
I don't wanna see you with any others  
Starry eyed girl you rocked my world  
Tonight can't have no other

Girl, honestly we're meant to be  
And I can't explain the way I feel so nice, so nice

Starry eyed girl you rocked my world  
I don't wanna see you with any others  
Starry eyed girl you rocked my world  
Tonight can't have no other

Starry eyed girl you rocked my world  
I don't wanna see you with any others  
Starry eyed girl you rocked my world  
Tonight can't have no other

Starry eyed girl you rocked my world  
Tonight can't have no other
