Starry eyed girl you rocked my world Starry eyed girl you rocked my world Tonight can't have no other Starry eyed girl you rocked my world I don't wanna see you with any others Starry eyed girl you rocked my world Tonight can't have no other

Starry eyed girl you rocked my world I don't wanna see you with any others Starry eyed girl you rocked my world Tonight can't have no other

Girl, when I look into your eyes
I can see them gazing back at mine so nice, so nice
And when I hold you close to me
I get this fever running down my spine so nice, so nice

Starry eyed girl you rocked my world I don't wanna see you with any others Starry eyed girl you rocked my world Tonight can't have no other

Girl, honestly we're meant to be
And I can't explain the way I feel so nice, so nice

Starry eyed girl you rocked my world I don't wanna see you with any others Starry eyed girl you rocked my world Tonight can't have no other

Starry eyed girl you rocked my world I don't wanna see you with any others Starry eyed girl you rocked my world Tonight can't have no other
