Dream on...

Hold my breath and pray for something better Close my eyes and wish for something better Much better
Dream on
Dream on

I saw a day when there was no fight to fight Dream on Dream on Nothing more, no hurting for no reason What reason?
Dream on Dream on

I heard a world laugh together for a while
Dream on
Dream on
I saw the strength and the love behind the smiles
Dream on
Dream on
Something good for everyone to share
To care
Dream on
