

# Someone Else's Clothes

Ultravox

Check out some memories I don't recognize  
Another country and another life  
Oh oh oh, oh oh oh

I find, I'm strolling on a distant shore  
To meet someone I've never seen before  
Oh oh oh, oh oh oh

Oh oh oh, oh oh oh, oh

I'm wearing someone else's clothes again  
Walking in the streets I know again  
Back in the old familiar glow again  
I'm wearing someone else's clothes

Painting quiet pictures in my ear  
We're driving past without a wish to steer  
Oh oh oh, oh oh oh

Driving underneath the deep blue sea  
I'm always surfacing in summer sheets  
Oh oh oh, oh oh oh

Oh oh oh, oh oh oh, oh

I'm wearing someone else's clothes again  
Walking in the streets I know again  
Back in the old familiar glow again  
I'm wearing someone else's clothes

I'm wearing someone else's clothes again  
Walking in the streets I know again  
Back in the old familiar glow again  
I'm wearing someone else's clothes

Transfer me into a Saturday crowd  
Or merge me back into a factory town  
Oh oh oh, oh oh oh

I'm opened up for such a splendid move  
I'm making love with someone, I don't know who  
Oh oh oh, oh oh oh

Oh oh oh, oh oh oh, oh

I'm wearing someone else's clothes again  
Walking in the streets I know again  
Back in the old familiar glow again  
I'm wearing someone else's clothes
