

There Goes a Beautiful World

Ultravox

Spinning round, demanding a gentle way
Rushed up crowd, had to go off the way

Oh, the circumstances detailed
The force of the run
Oh, the messages unfold
There goes a beautiful world

Higher ground, safe from the open way
Desert hound, try to get hold of me

Oh, the circumstances detailed
The force of the run
Oh, the messages unfold
There goes a beautiful world

There goes a beautiful world
There goes a beautiful world

Oh, the circumstances detailed
The force of the run
Oh, the messages unfold
There goes a beautiful world

There goes a beautiful world
There goes a beautiful world
