

Is This Love

Umbra Et Imago

I wanna love you and treat you right
I wanna love you every day and every night
We'll be together with a roof right over our heads
We'll share the shelter of my single bed
We'll share the same room for Jah provide the bread

Is this love - is this love - is this love
Is this love that I'm feelin'?
I wanna know - wanna know - wanna know now
I got to know - got to know - got to know now
I'm willing and able
So I throw my cards on your table
