

You Can't Take Me

Uncle Kracker

Party
Party
Party

I've been wasting all my time
And I've been drinkin all that wine
And I've been drinkin all that beer
And I've been sheddin all these tears
I can't go and you can't stay
Your not gonna take me out that way

Because you can't take me
I said you can't take me
No you can't take me anywhere, I don't wanna go

I've been down this road before
And I just can not care no more
I can't see, what you can see
I'm too busy bein me
See I can't go and you can't stay
Your not gonna take me out that way

Because you can't take me
I said you can't take me
No you can't take me anywhere, I don't wanna go

I don't need to save no face
And I can't wait to leave this place
I've been fooled by lesser things
And I don't care what tomorrow brings
See I can go and you can't stay
Your not gonna take me out that way
Because you can't take me
I said you can't take me
No you can't take me anywhere, I don't wanna go

No you can't take me anywhere, I don't wanna go

Party
