Carry You

Don't ever say you're lonely Just lay your problems on me And i'll be waiting there for you The stars can be so blinding When you get tired of fighting You know the one you can look to

When the vision you have gets blurry You don't have to worry, i'll be your eyes It's the least I can do, cause when I fell, you pulled me through So you know that

I'll carry you, (3×) So you know that I'll carry you (3×)

I know it's been a long night, but now i'm here it's alright I don't mind walking in your shoes

We'll take each step together, Till you come back to center You know that I know the real you

And when the vision you have gets blurry You don't have to worry, i'll be your eyes

That's the least I can do, cause when I fell, you pulled me through So you'll know that

I'll carry you, (3×) So you know that I'll carry you (3×)

Like you've been running for hours and can't catch your breath The demons are screaming so loud in your head

You're tired you're broken you're cut and you're bruised But nothing's too heavy just hold on, I'll carry you (2×)

Yeah (10×)

So you know that I'll carry you, (3×) So you know that I'll carry you (3×)

I'll carry you, (3×) So you know that I'll carry you (3×)
