

Paralysed

Union J

I wish I had a little more time
I wish I had a little more space
I wish the truth was something you could pull me through
Something I could face
I wish I was a little more torn
I wish I had a little more faith
I wish that I could hide behind your pretty lies
You're so hard to blame

This love's gonna kill me, I know
If I have it or I don't

Don't wanna be breathless
Intoxicated
Craving the thought of you
Don't wanna be
Losing my mind
Don't wanna be strung out
And end up jaded
All because I feel for you
I wish I could
Make up my mind
Baby I don't wanna be paralyzed
Baby I don't wanna be paralyzed

I wish I had a little more light
Just a little more left to give
I wish that when I'm following I'd pull you through
You'd follow me with
I wish I knew right from wrong
That you'd open up and let me in
I wish that I could hide behind your pretty lies
There's no way to win

This love's gonna kill me, I know
If I have it or I don't

Don't wanna be breathless
Intoxicated
Craving the thought of you
Don't wanna be
Losing my mind
Don't wanna be strung out
And end up jaded
All because I feel for you
I wish I could
Make up my mind
Baby I don't wanna be paralyzed
Baby I don't wanna be paralyzed

I wish I had a little more time
I wish I had a little more space
I wish the truth was something you could pull me through

Don't wanna be breathless
Intoxicated
Craving the thought of you

Don't wanna be
Losing my mind
Don't wanna be strung out
And end up jaded
All because I feel for you
I wish I could
Make up my mind
Baby I don't wanna be paralyzed
Baby I don't wanna be paralyzed
Don't wanna be paralyzed, paralyzed, paralyzed
