

Mayday

UNKLE

I ebb and you flow, it's a
A bit screwed but you can't catch my love
I ebb and you flow, it's a
A bit screwed but you can't catch my love

These stars are descending
These scars are discerning

I ebb and you flow, it's a
A bit screwed but you can't catch my love

I ebb and you flow, it's a
A bit screwed but you can't catch my love
I ebb and you flow, it's a
A bit screwed but you can't catch my love

These stars are descending
These scars are discerning

I ebb and you flow, it's a
A bit screwed but you can't catch my love

I ebb and you flow, it's a
A bit screwed but you can't catch my love
I ebb and you flow, it's a
A bit screwed but you can't catch my love

These stars are descending
These scars are discerning

I ebb and you flow, it's a
A bit screwed but you can't catch my love
