Panic Attack

UNKLE

As I juxtapose
Between lock and load
Gotta cut some slack
Between these back to back panic attacks
(panic attack panic attack)
I love the madness
It's killing me
Our love is behind
And i'm so blind i cannot see
As i juxtapose
In between lock and load
Gotta cut some slack
Between these back to back panic attacks
(panic attack panic attack)
I love the madness
It's killing me
Our love is behind
And i'm so blind i cannot see
I love the madness.
  As i juxtapose
Between lock and load
Gotta cut some slack
Between these back to back panic attacks
(panic attack panic attack)
I love the madness
It's killing me
Our love is behind
And i'm so blind i cannot see
As i juxtapose
In between lock and load
Gotta cut some slack
Between these back to back panic attacks
(panic attack panic attack)
I love the madness
It's killing me
Our love is behind
And i'm so blind i cannot see
I love the madness.
