

## Into Glory Ride

Unleashed

Once upon  
An evil time  
Up in the north  
Mighty men

Fought and died  
By the sword  
Onward into glory ride  
Into battle

Sign of the hammer  
Be my guide  
Standing proud  
In victory

Into glory ride  
Onward into glory ride  
To Birka we sail  
(Birch Island)

And celebrate  
Hail Thor  
And the fallen  
Join with Odin

At slain hall  
(Valhalla)  
Onward into glory ride
