

Legal Rapes

Unleashed

Rape, a legal sport, a hunt for joy
Just another life to be destroyed
First he raped your daughter and then your
Wife
Then he smiles and says it's not a crime
LEGAL RAPES
LEGAL RAPES
The court decides he can not be blamed
All religious needs must be obeyed
See we must consider his tragic life
So they smile and claim it's not a crime
LEGAL RAPES
LEGAL RAPES
