Life hurts so bad Don't want you sad Just look back to Good times we had I'd give my soul for you I know Want to hold you before I go Before I go I need you to know I'm still alive in you It's my time to go Don't stay up late I'm not afraid And I don't want your heart to break I know I've seen what's been unseen Live fast, die young It's part of me (it's my time now) Before I go (it's my time now) My soul is on it's way (it's my time now) I need you to know Before I go
