

Superbad

Unwritten Law

I'm known throughout the barrio as vato loco
cause I hold Pico down like it's Acapulco
Put my momma in a choke hold if she don't pay
Listen old lady you got three days

Cause I'm bad bad Superbad
Go run home and tell your mom and dad
I'm bad bad Superbad
But you can bet your ass I'm the best....

I want it right
And I want it now
I want the whole world wrapped round my middle finger
now
I want it now.

I've been to jail, I've been to rehab
Three square meals a day, I ain't mad
I watched my house burn down right in front of my ass
and now I'm camped out down in Carlsbad.

Because I'm bad bad Superbad
Go run home and tell your mom and dad
I'm bad bad Superbad
But I'm the most fun you'll ever....

I want it right
And I want it now
I want the whole world wrapped round my middle finger
now
I want it high
And I want it low
I WANT IT ALL IN THE MIDDLE
JUST NEED A LITTLE
Give it to me simple
ooh I want it now.

So listen up
Starting yesterday this whole fucking place is mine
I want the top
I want the middle
And I want the bottom
If I can't have 'em
No ones got 'em
And on a third note
I'm the illest ever
You're friend already knows
So don't try and tell him

YOU KNOW I KNOW YOU KNOW

I want it right
And I want it now
I want the whole world wrapped round my middle finger
now
I want it high
And I want it low

I want it all in the middle
Just need a little
Give it to me simple
ooh I want it now.
