I'm known throughout the barrio as vato loco cause I hold Pico down like it's Acapulco Put my momma in a choke hold if she don't pay Listen old lady you got three days Cause I'm bad bad Superbad Go run home and tell your mom and dad I'm bad bad Superbad But you can bet your ass I'm the best.... I want it right And I want it now I want the whole world wrapped round my middle finger now I want it now. I've been to jail, I've been to rehab Three square meals a day, I ain't mad I watched my house burn down right in front of my ass and now I'm camped out down in Carlsbad. Because I'm bad bad Superbad Go run home and tell your mom and dad I'm bad bad Superbad But I'm the most fun you'll ever.... I want it right And I want it now I want the whole world wrapped round my middle finger now I want it high And I want it low I WANT IT ALL IN THE MIDDLE JUST NEED A LITTLE Give it to me simple ooh I want it now. So listen up Starting yesterday this whole fucking place is mine I want the top I want the middle And I want the bottom If I can't have 'em No ones got 'em And on a third note I'm the illest ever You're friend already knows So don't try and tell him YOU KNOW I KNOW YOU KNOW I want it right And I want it now I want the whole world wrapped round my middle finger now I want it high And I want it low
