

Waiting

Urban Mystic

(Chorus)

I'm waiting for my lady
I may be gone for a while
But when I'm gone
I'm never ever sneaky
I'm waiting for my lady
No matter what they say
There ain't a girl
To give me better lovin

(Verse)

I've been around the world
And seen plenty of pretty girls
But none like the one at home
She's my queen and she stands alone
Can't wait to get there
Unplug the telephone and let down your hair
'Cause you're baby's home
It's been a long time coming
And it's time to start getting it on

(Chorus)

I'm waiting for my lady
I may be gone for a while
But when I'm gone
I'm never ever sneaky
I'm waiting for my lady
No matter what they say
There ain't a girl
To give me better lovin

(Verse)
