

Walkin' On Water

Urban Mystic

I'm walkin' walkin' walkin'
I'm walkin' walkin' walkin'

(Verse)

My ship is sailing
The water's raging
Can't hear a sound
I'm going down
I'm on the edge
Alarm is ringing
Ohh can't hear a sound
I'm going down, down

(Pre-Chorus)

If I can't have you
Then I'll be all by myself
If I can't have you
I don't want nobody else

(Chorus)

I'm walkin' on water
I'm walkin' on water
I'm walkin' walkin' walkin'
I'm walkin' walkin' walkin'
I'm walkin' on water

(Verse)

My ship is sinking
Alone I'm thinking
Where are you now
I'm going down
And my finger slipping
Come save me now
I'm going down, down

(Pre-Chorus)

If I can't have you
Then I'll be all by myself
If I can't have you
I don't want nobody else

(Chorus)

I'm walkin' on water
I'm walkin' on water
I'm walkin' walkin' walkin'
I'm walkin' walkin' walkin'
I'm walkin' on water

(Bridge)

As the tides begin to dry
And the clouds have gone away
You receive my SOS
The sun is shining
Baby we ain't going under
I'ma ride this wave with you

(Chorus)

I'm walkin' on water
I'm walkin' on water
I'm walkin' walkin' walkin'
I'm walkin' walkin' walkin'
I'm walkin' on water
